President's Report

We were pleased to have **Rev. Daniel O'Connell** visit us **October 15th to 19th**. In addition to the service on Stewardship, Rev. O'Connell took part in a number of meetings which, I believe, will prove to be very important to our Fellowship in the future. The meetings covered a number of issues and generated lots of discussion. Here are the highlights:

Rev. O'Connell discussed how a Stewardship/pledging program could work and how it would assist us to predict revenues and expenditures and thus plan better. Such a program would be essential to putting in place ministerial or other support, and to providing stable Outreach funding.

He pointed out the many benefits of having a trained minister; and he outlined a proposal for hiring a half time contract minister who would be situated at Lakeside but part of the Houston Ministerial team that now services both the large First Unitarian congregation in Houston, as well as several smaller congregations.

I am grateful to Heidi MacLennan and Dave Miller for their work in organizing follow-up meetings to Daniel's visit. The Board will discuss the issues raised at its Nov 11th meeting and will, I expect, have some recommendations for us. Thanks to everyone who participated in the discussions. These are exciting times!

Mezcala Soccer Program

By Frank Howell

As many of you know, we have extended our outreach in Mezcala to include a soccer program for the youngest children in the primaria, ages 6-10. We have been running the program twice a week since mid-September, on Tuesdays and Fridays. We normally have between 15 and 20 children, both boys and girls, coming out to play.

We are very fortunate to have a local soccer coach assisting us, as without him, we would be seriously hampered in our ability to do this. He is Chevy Hernandez, and he calls himself a "jack of all trades." We are paying him a modest stipend, as we discovered he was turning down paying jobs to be able to come and coach for us. One of his primary jobs is driving people to Guadalajara or to the airport. (If you can use his services, his phone number is [331-207-5106](tel:331-207-5106).) He speaks fluent English and is very reliable.

We are distributing refreshments to the youngsters after every practice. So to continue to do this and to pay Chevy, we need your weekly donations. **Please put your generous donations in the brown box on the welcome table each week.**
